Principal's News:

Graduation, Xmas Concert and Disco for ALL students
Parents and carers are invited to Zillmere State School’s end of year celebration. This will include the Year 7 Graduation, Christmas Concert and Disco. It will be on the 4th December, 2013 at the Salvation Army Hall located on the Cnr of Handford Road and Roghan Road, Tai-gum. Proceedings start at 4:45pm and go to approximately 7:30pm. All children are strongly encouraged to attend as they are all performing on the night. Please refer to the attached flier and if you have any questions please contact the office on 3863 8333.

Reports
All children from Prep to Seven will receive their report cards on Wednesday, 11th December. Report Cards are written with the audience being the parents as the school’s accountability is to you, the parents. The report that the school is using is a state-wide template with information in the One School database, which all state schools in Queensland are using. The five point scale and the comments in the eight key learning areas are a Federal Government requirement for every school in Australia. However, our school will add its own touch in various year levels. Please read and talk through the report cards with your child/ren and help them identify their individual strengths and areas which they may be able to improve. This is an invaluable learning opportunity for all children and can help parents and children establish learning goals for the new school year in 2014. If you have issues or concerns in regards to your child’s report, please contact your child’s teacher.

7-2-8 Transition Program
Students in year 6 and 7 spent a week at the High School to work with a variety of different teachers to better equip them for the dramatic change that occurs when moving from Primary to Secondary school. This gives the children the opportunity to meet with many of the teachers and familiarise themselves with the process of a high school. It also allows them to familiarise themselves with general day to day routines so that when they enter high school it is not too overwhelming. A big thankyou to Principal Jacquita Miller and the Aspley State High staff who coordinated this week long event.

Making every day count
As we near the end of the school year, it’s important to remember that all students are required to attend school every day until the end of term which is 13 December 2013. Not only is attendance at school a legal requirement, but being at school helps students to achieve more and builds social and emotional skills such as communication, teamwork and resilience. For more information, visit http://education.qld.gov.au/everydaycounts.
**Library books**

Can I remind parents that this is a great time to check for any library books and return them to the school. This will allow us to do a thorough stocktake and sort out shelves for the beginning of the 2014 school year. If your child has lost a book you will receive a note asking you to pay for the lost book or purchasing a book for similar value as a replacement. This will ensure our book stocks remain high.

Warm regards

Damien Greig
Principal

**Busy Bee’s hard at Work**

On behalf of Zillmere State School I would like to extend our most sincere gratitude to ISee Church who recently coordinated a working bee at the school. This has helped us to achieve a variety of works outlined in the school’s maintenance and facility plan which would have been unfeasible without the aid of the working bee.

The clear organisation and warm and open nature of the volunteers made the working bee an enjoyable and satisfying event for all. They were very understanding of the school needs and requirements and coordinated the works effectively and with purpose. The volunteers were willing to listen to instructions and complete any job great or small. Once again many thanks for all your hard work.

**Religious Education Christmas Service**

All parents are invited to the school’s Christmas Service on Wednesday 27th November 2013 at 9am—10am at the Anglican Church located next to the school. Please return the permission form for your child which has been given to them today.

**BUNNINGS SAUSAGE SIZZLE**

Just a reminder about our sausage sizzle at Bunnings Carseldine on Thursday 28th November 2013 from 8.30am—3.30pm. All volunteers would be greatly appreciated and all funds raised help out our school.
Parents, Carers & Community Members,

The Staff & Students of Zillmere State School invite you to
